

Serving as a Catalyst to Meet the Public Health Challenges of Today and Tomorrow

PHFE Talent Pool

Join a Network of Health Professionals

PHFE is actively recruiting public health and public health related professionals to become part of its Talent Pool.

As part of the PHFE Talent Pool you will have the opportunity to join colleagues from across the country that are interested in working in a wide array of project areas in a variety of settings.

You will help us make a difference in communities and organizations throughout the country through application of your unique skills and abilities.

Experience and Dedication

Flexibility and Collaboration

Offering Unique Challenges

Working with our partners and clients across the nation you will have the opportunity to participate in projects designed to solve problems, find solutions and blaze new trails across the public health landscape.

Diversity and Independence

As a participant in the PHFE Talent Pool you will have the opportunity to continue working in your chosen field or develop skills in other areas you may want to explore. As a participant in the Talent Pool, you choose which opportunities you want to pursue.

Enhance Skills and Knowledge Areas

By joining the PHFE Talent Pool you will have the opportunity to share your skills with other professionals as well as learning from experienced practitioners. PHFE's team approach to project management assures that while you will always retain your independence, you will also be able to learn new skills and approaches from the other members of the team.
